CARTERTON - FREESTANDING BIOETHANOL FIREPLACE

BIO-80-025

The Carterton Bioethanol Fireplace is a freestanding classic mantel design with three-dimensional triangular details that add an exclusive touch. Available in Black or White, it features a durable MDF surround, steel insert, and a manual burner with optional upgrades for extended burn time. Delivered fully assembled, it's ready to use immediately and requires no flue or chimney. Perfect for adding cosy warmth, real flames, and timeless elegance to both modern and traditional interiors.
