## **FOCO THREE 800**

BIO-30-113

The Foco Three 800 is a stylish, three-sided built-in bioethanol fireplace that offers a stunning panoramic flame view. Designed for seamless integration into a media wall or modern interior, this fireplace lets you enjoy the flames from the front, left, and right sides. Choose from manual or automatic burners, including Smart Home-compatible options. Made from 4 mm thick powder-coated stainless steel, with tempered glass panels for added safety and stability. Easy to install without the need for a chimney or flue. Perfect for those seeking a sleek, contemporary fire feature with real flames and zero smoke.
