COCOON PEDESTAL - WHITE

BIO-70-139

The Cocoon Pedestal in matte white is a free-standing bio fireplace designed by Federico Otero. Its sleek white steel surface adds a touch of exclusivity to any room. The fireplace features a manual burner, requiring no electricity or chimney, and provides up to 5 hours of burn time per refill of bioethanol, with a consumption rate of approximately 0.30 liters per hour. The 2011 design merges functionality with style, and the fireplace is easy to assemble and move as needed.
